

RTCA Special Committee 209

Working Group #1

Mode S Transponder Development and Maintenance

Meeting #2

**RTCA, Washington DC
30 May – 1 June 2007**

Proposed Changes to the Draft of Appendix B

**Pete Muraca & Gary Furr
FAA Technical Center**

SUMMARY

This Working Paper presents a set of minor editorial changes to the proposed draft of Appendix B for the Mode S Specific Services.

Introduction

We believe that it is appropriate to make the following changes in terminology in the draft of Appendix B, from “ADLP” to “AE” in the following sections:

B.2.2.7.1.1

B.2.2.7.1.1.4

B.2.2.7.1.2 (3rd sentence)

B.2.2.7.2.1.2 (Note 1)

B.2.2.7.2.1.3

B.2.2.7.2.2.1

B.2.2.7.2.3

B.2.2.7.2.4 (in two places)

B.2.2.7.2.5

Change “ADLP” to “AE” in section B.2.2.7.2 (in the note) and Change “GDLP” to “Ground Application Entity” in the same section.

These changes have been made in the draft version 1.7 of Appendix B as it is presented in Working Paper ModeS-WP02-10.

Open Discussion

Should these same changes be performed in the format Tables for BDS Code 1,0 and BDS Code 2,0?
