Subject WG4 teleconference tomorrow (Wednesday) 2 - 4 PM eastern time

06/19/2007 09:19 AM

All,

As per our previously announced schedule, we have a teleconference planned for Wednesday afternoon, 2 - 4 pm eastern time.

Proposed agenda:

Review test requirements section (Dave Thomas)
Review scenarios (Robert Eftekari)
Data gathering flights update (all)
ARINC 735 status
Action item status
Plans for next meeting

Please see attached for some of the materials (change .zap to .zip to view) ... Please note that the attached MOPS is ****an unofficial (not configuration managed) draft for discussion only!******

Contact information:

Phone: 203-669-8762 code 302049.

Regards,

Jonathan Hammer
