Subject ASSAP Phoenix Meeting, December 4-6, 2007

11/28/2007 11:36 AM

ASSAP Working Group Members:

Looking forward to seeing you all in Phoenix next week. We plan to start at 9:00 AM Tuesday morning. Please plan on getting to Honeywell a few minutes early to allow for security to sign you in and get badges. If there is interest, the phone bridge for this meeting will be 203-669-8762, meeting code 302049. Please notify me if you plan on attending via the phone bridge. The proposed agenda follows below. If you would like to add an agenda item, talk to Jonathon or myself. See you on Tuesday.

1. Document review (walk-through)
2. Briefing on methodology for scenario noise generation (Hopkins)
3. Review Robert's appendix
4. Coordination with CDTI group -- issues and document integration

Don Walker

Flight Safety Engineer
