

RTCA SC-186 Working Group 6

ATTSA MASPS Development

**Washington DC Meeting #31
28 - 29 February & 1 March 2012**

**Proposed Revision to Figure 1-2 in an
Effort to Resolve Cascade Comment #37**

Jorg Steinleitner, Eurocontrol

Summary

During the WG-6 Teleconference last week and in response to Cascade Comment #37, we agreed to provide the Working Group with our view on Figure 1-2 of the ATSSA MASPS. In the following, slide #1 shows the EUROCAE perspective with the inclusion of our Ground System Specifications, and slide #2 shows the RTCA-only perspective.
